NEWSLETTER - JULY 1978

BRYANT SECOND ONLY TO HITLER IN STUDENT POLL

In a recent poll of high school students in New York City, conducted by the Ladies Home Journal, Anita Bryant came a close second to Adolf Hitler as the most disliked public figure. She even topped Nixon. Bryant, whose only claim to fame recently has been her battle against 'militant homosexuals' and their fight for equal rights, will be returning to Southern Ontario next autumn to recruit.

CONFERENCES GALORE

As this newsletter goes to press, one of our members is travelling to Halifax to represent GGE at the 6th National Gay Conference in Halifax. During May 1978 there was an Ontario Lesbian Conference in Ottawa and a National Gay Youth Conference in Toronto. Coming up on Labour Day Weekend will be the Ontario Gay Conference, to be held in Windsor. There will be something for everyone at this conference, from culture and entertainment to workshops on many topics. Please let us know if you are interested in going.

BOUQUETS

Thanks this month are extended to the following people;

- the Toronto reader whose \$50.00 cheque is greatly appreciated.
- the member at Bridgeport who handed \$20.00 to your president.
- the Brantford reader who donates regularly.
