NEWSLETTER

MARCH 1987

There has been some confusion as to the purpose of the General Meetings. These meetings are held every two months. They represent a chance for members to present suggestions/ideas to the Executive and for the Executive to report to the members the group's financial status, dance reports and to introduce new business to the members. These meetings are important so that the Executive members know where the membership wants to go. Your input is very important so please attend April's meeting.

This meeting is also a chance for you to meet the new Executive members.

See you on the 7th of April!

Lost Love

I'm not a poet or a writer
But these words that I express
Flow like rushing river water
From my heart & mind I guess

My love indeed, intense & deep
For you I lived my life
Contented, happy in my sleep
When you stabbed me with a knife

I bared my soul for him to see
How I really feel
The dream I thought would forever be
Was never truly real

It's true that I've been dreaming
Of that which cannot be
And how the tears come streamin
Iv'e lost a piece of me

Tell me this is all a nightmare
And soon I will awake
But I wake only to go nowhere
No more love does your heart make

I thought our love would last forever
Forever is today
From my side, leave me never
A thought now far away

A part of you is with me
The love I thought you shared
But now its over & I see
It's only me who really cared

.....

My heart is filled with ache & sorrow
For what I know can't be
I love him so, but now I know
That he will never love me

The love I speak of was so real
Decisions made for his sake only
Now the pain & cold we feel
The nighttime so very lonely

Your face lights up the morning sky
But pain gets in the way
Love no more is in your eye
To brighten up my day

I meant it when I loved you
But that did not succeed
Forced to start my life anew
It's you I'll always need

Never will there be a day
When your face does not appear
Your blue eyes & your smiling ways
On my cheek I feel a tear.
