Dear People;

We at WUGLM are in the planning stages for a Gay Community Center Here in the K-W area, and we would like to have some information on your group.

How did your group get funding to start.

What are your facilities like? How many rooms? What size are they?

Do You have a permanent or temporary license?

If permanent, What type is it, tavern, lounge, or private social club.

If you use temporary licenses, how often are they used?

Is your license your primary source of funds, if not what is?

What is your membership cost per year?

Thank you in advance for answering this letter. Any other information you would like to send along would be greatly appreciated.

In Gay Love
