

# Queer Identities Week

# KISS-IN

To kick off the beginning of Queer Identities Week, come join us for a queer Kiss-In **at the cannon in Branion Plaza on Monday, October 20th, at 12:15-12:35.** Kiss-ins are a demonstration of people of the same visible gender kissing each other in order to promote awareness of queer issues.

Come out in support, or if you feel comfortable, come out to kiss!
