One option is to spend that time with "chosen family" – those we have gathered around us who care about what is happening in our lives. Join us at SPECTRUM for a community gathering with music, good company and plenty of food on December 25, 2018. We are planning to be open from Noon to 10:00 PM, as we were last year, regardless of the weather. <https://www.facebook.com/events/2025220934225402/>

Help support SPECTRUM by donating!

At SPECTRUM, we provide a refuge for the rainbow community in Waterloo Region. For six years, LBGTQ2S+ people have turned to SPECTRUM as a safe space that builds community and fosters belonging. We are the only charitable group in Waterloo Region whose work centres on the well-being of LBGTQ2S+ individuals. Every week of the year, a questioning teen, a gay senior citizen, a transgender immigrant, just to name a few, have a safe and supportive home. As the Region grows, so does the need for our work. SPECTRUM needs more room and more resources to support the rainbow community. Private contributions make up 50 per cent of our income. Your gift will help us continue the work we do for our community.

More about what SPECTRUM does: We work with local agencies to ensure that there is housing where we can live free from bullying and harassment. We provide programs for older LBGTQ adults, transgender people, youth and the multicultural LBGTQ community. We have drop-in hours to reduce isolation, a recreational gaming group, a support/discussion group for everyone, a monthly restaurant outing, and other social activities. Our webpage provides a community portal to local resources and events. We also work with local agencies to ensure that LBGTQ2S+ individuals will be assisted by them in an equitable manner.
