SPECTRUM 2.0 Moves Online 2020

All program meetings will move to an online/virtual format

A Trans-Friendly Waterloo

by Alyssa "Twist" Light

Together with SPECTRUM, Team Twist is creating a directory of trans friendly services in Waterloo Region. We want Waterloo Region to be as safe and friendly as possible for our trans friends, family, and neighbours.

The project will begin with a sur-

vey - we want to know what's important to YOU so we can plan the project accordingly. This is an accelerated project that we will complete by Christmas!

The survey will be sent out in about two weeks. I have created a short one-minute video for you that you can access here: <https://vimeo.com/463490655>. If you would like to receive information about the survey you can fill out this Google form. <https://forms.gle/nVyU8cnU1L-vLiPfb9>

NOTE: Only I will see the info and it will be deleted by November 1 to protect your privacy. If you have questions you can reach my team at twist@the-profitableinnovator.com or you can email SPECTRUM directly.

SPECTRUM regrets that we are suspending meetings for the Virtual transgender Non-Binary Peer Support Group temporarily due to low attendance.
