Chairperson's Message

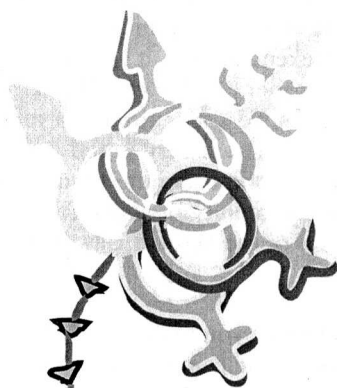

Welcome to the 6th annual Tri-Pride celebration, Tri-Pride 2000 - Yours To Discover. This is a great year for the Tri-Pride Planning Committee, we have expanded the pride celebrations into a full weekend of stuff. It was only three years ago that we made the big jump from Kitchener City Hall to Victoria Park. This move was made to accommodate the masses, we just outgrew that venue. As the chair of the Tri-Pride Planning Committee, I am very proud that we have had to make these expiations; it means that the committee is doing its job. I hope that you share my pride within the community for coming together and recognizing each other as important parts of the Lesbian, Gay, Bisexual, and Transgendered Community.

This year's theme is "Yours To Discover" and I invite you to do just that. Look around and discover other people that are part of the community and try and recognize yourself in them. Just by the fact that you are here at the Tri-Pride 2000 celebration gives you a commonality, use this to start a conversation with the person next to you and see where it ends up. The more we communicate and discover each others' similarities and diversities the stronger our community will grow, and that is something to take pride in.

Thank you for coming to this celebration. A lot of people have put in many hours of work to bring it together, and by showing up and participating you are showing your thanks to them for doing it. I also, personally thank the members of the Regional Pride Committee, The Tri-Pride 2000 Planning Committee, Club Renaissance, GLOW, The Rainbow Chorus, PFLAG, the City of Kitchener, ACKWA, ACGWC, the Unitarian Churches in KW and Guelph, and last but not least, you. Without people like you there would be no reason to celebrate pride.

Scott N. Schau

Chairperson of the
Tri-Pride 2000

Yours to Discover

CONGRATULATIONS!

To all of the volunteers and organizers who have worked hard throughout the year to bring you 'Tri-Pride 2000 - Yours to Discover'. Your dedication and loyalty in organizing one of K-W's premier events for the LGBT community is greatly appreciated. This is another reason why Economical Tax Services is proud to be a part of our local community.

Thank you.
